

MINNESOTA SECRETARY OF STATE OFFICE Mark Ritchie, Secretary of State

March 2, 2007

U.S. Election Assistance Commission Office of the Executive Director 1225 New York Avenue, NW - Suite 1100 Washington, DC 20005

Dear Mr. Wilkey:

As you requested, enclosed is the amended Financial Status Report for the State of Minnesota regarding HAVA Title I, Section 101 funds for the reporting period of January 1, 2005, to December 31, 2005. This should be considered an interim report until a final indirect expense rate is negotiated for CY 03 and CY 04. This report, as well as the CY 03 and CY 04 reports that are attached, show that all Title I, Section 101 funds have been expended by the State of Minnesota.

No indirect expenses were taken for this reporting period on the previous report submitted or in this report. In Minnesota's previous CY 03 and CY 04 reports for Title I, Section 101 funds, indirect expenses were calculated at \$86,372.00, 19% of the base as previously reported, which was the proportion of building lease costs determined to be for HAVA purposes. The 19% rate is, as we understand it, a common rate for grantees. This rate was marked as provisional on the previously submitted SF 269 with the understanding that a final rate would be negotiated. Regardless of whether that was a misunderstanding of the process or that the process had been commenced, negotiations for that rate had not been completed with the EAC, as was required. Consequently, Minnesota will apply for a retroactive indirect expense rate to be applicable for CY 03 and CY 04. If indirect expenses are then allowed, the amounts shown on this report will need to be adjusted also. A correction will be made, after the indirect expense rate is applied for and determined, if necessary.

Attached is a table showing the breakdown of interest earned while Title I and Title II funds were deposited in the same interest bearing account. The amount of interest earned, as calculated in the table, was \$682.42 for the Title I funds for this reporting period. This amount does not include any interest that would have been earned on amounts previously taken as indirect expenses. If necessary, that will be adjusted upon final determination of an indirect expense rate for CY 03 and CY 04.

Sincerely

Mark Ritchie

Minnesota Secretary of State
